MASSARELLI'S® TOUCH UP PAINT DIRECTIONS

Things You Will Need

- A container of clean water for clean up.
- Two or three soft cloths (cotton preferably).

Getting Started

- Never apply paint when a piece is wet or when piece is below 50°F.
- Work on piece in a dry warm area.
- Wipe all dust off piece before touch up for a good finish.
- Apply paint sparingly. Repeat the process if necessary, for better results.

****It is recommended that you test a small area near the base of the product before touching up the area of repair to ensure paint colors are correct. ****
